

PROCEEDINGS IN CASE OF BEVILLE

Young Man Arraigned Upon a
Charge of Selling Liquor.

HIS FINE WAS A HEAVY ONE

But An Appeal Was Taken to Circuit
Court—Later Arrested by County
Authorities. But Waived Examination
and Gave a Second Bond.

From Wednesday's Daily Sun.

"Five hundred dollars and costs, or
sixty days in jail."

That was the sentence imposed upon
B. P. Beville, the young man who
was arraigned in the mayor's court
Tuesday morning upon a charge of
selling intoxicating liquors in the city
of Gainesville, in violation of the ordi-
nance of the city.

The story of Beville's arrest has al-
ready been told in The Sun. He was
arrested Saturday night by Policeman
E. K. Corbett, who told the officer that
he had purchased a pint of rye whis-
key from Beville, for which he paid
twenty-five cents.

When arrested at his place of busi-
ness Officer Kite searched the store,
but was unable to find any liquor. He
required the defendant, however, to
 furnish bail in the sum of \$500 for
his appearance before the mayor's
court Monday morning.

Case Was Continued.

On Monday morning the defendant
and his attorney, B. A. Thrasher, ap-
peared in court, and upon motion of
the defense the case was continued
until Tuesday morning.

Tuesday's Session.

Promptly at 9 o'clock Tuesday
morning the city court room was
crowded with spectators interested in
the outcome of the trial. State At-
torney Rivers, who took the case in
hand for the prosecution, was present,
as was also Attorney Thrasher, the
defendant and several of the wit-
nesses.

Tried to Disqualify Mayor.

When Beville was arrested he made
efforts that Mayor Thomas was prej-
udiced in the case, that he could not
get justice before him, etc., and asked
that the case be tried by the president
of the Council, but the mayor denied
the motion and proceeded with the
trial.

After taking the testimony the
case was submitted to the court
without argument, when Mayor
Thomas passed sentence as above
stated.

In Clutches of County.

Immediately after securing bond
on appeal of the city case, Mr. Beville
was arrested on a warrant sworn out
by Sheriff Fennell for the county. He
was taken before Justice Colman,
who examined him and gave bond in
the sum of \$400.

MONTICELLO DIDN'T COME.

At Last Moment Manager Received
News Not to Expect Them.

At the very last moment, when anti-
cipation and excitement was running
high among the Gainesville fans over
the promised games between the
Monticello and Oak Hall base ball
teams, Manager Tison received in-
formation, with regrets, that it would
be impossible at this time for the
Monticello boys to come.

This information was indeed a bomb
thrown among the fans, as they had
anticipated some close and exciting
contests on the diamond. The Monticello
team is one of the best amateur
aggregations in the State, and the Oak
Hall, realizing this, have been con-
stantly practicing for the events.

It seems a difficult matter for the
Oak Hall to secure a game at home.
A few days ago they had arranged to
play St. Augustine, when the Ancient
City team failed to show up. Later,
an effort was made to get a game
with Jacksonville, but to no avail. It
was thought sure the Monticello boys
would come—but alas, the third dis-
appointment stared them in the face.

The games between Monticello and
Oak Hall have been played Wednesday,
Thursday and Friday afternoons.

KILLED BIG RATTLESNAKE

Exciting Experience of Colored Rural
Mail-Route Carrier.

Mail Carrier DeBose, of R. F. D. No.
3, between Gainesville and Hague, had
quite an experience on his return to
Gainesville Tuesday, and an experi-
ence which, in the language of the
Shakespearean play, Hamlet, caused
his hair to "stand on end like quills
on the fretful porcupine."

Near the bridge spanning Hogtown
Creek, about two miles from the city
square, and right in the middle of the
road, DeBose encountered a tremen-
dous rattlesnake. His snakeship
wanted to show fight, when DeBose
got out of his buggy to "put him out
of business." Imagine his anxiety
when he couldn't find a stick within
a hundred yards of the spot big
enough to kill a grasshopper; but
something had to be done, and De-
Bose began heaving heavy lumps of
dry clay at the reptile. His aim was
good, and in a few well-directed shots
his snakeship lay dead at his feet.

DeBose did not ask anybody to take
his word for this remarkable story,
but tied the reptile to the rear of
his buggy and brought it to the city,
where it attracted a great deal of at-
tention.

The snake measured five feet eight
inches, and was possessed of eleven
rattles and a button.

LETTER FROM MRS. GRAHAM

Has been Enjoying Life in North Caro-
lina—Mr. Graham Improving.

A letter has been received from
Mrs. J. M. Graham, who, with Mr.
Graham, has been spending the past
few weeks delightfully at Hot Springs,
N. C.

Mrs. Graham requests that The Sun
be discontinued to her address at Hot
Springs, as they expect to leave in a
day or two for various points, but
would be in no place long enough to
furnish an address. "If it were pos-
sible I would have the paper follow
us, for we will miss it so much," she
says.

Friends will be glad to learn that
both Mr. and Mrs. Graham are enjoy-
ing fine health. Mr. Graham's con-
dition being exceptionally fine.

Mr. and Mrs. Graham expect to ar-
rive home about October 1.

ADVENT CHRISTIAN CHURCH

Quarterly Meeting of Two Days Be-
gan Wednesday Morning.

The Advent Christian met Wednes-
day morning at 9:30 at the church on
East Main street N., and after a brief
business session listened to a very
able and interesting sermon by Elder
O. T. Mattox. Elder J. J. Butler was
appointed to preach Wednesday even-
ing.

Thursday evening at 8 o'clock the
Ladies' Mission Society will give a
very interesting program of songs,
recitations, etc., which will be follow-
ed by a sermon by Elder H. V. Skip-
per.

We have present a young minister
from Mendota, Ill., who will preach
Thursday at 11 a. m.

A cordial invitation is extended to
everybody to attend all services.

STEENBURG IN ILLINOIS

Spending His Time at Water Trying
to Buy Shetland Ponies.

The city editor of The Sun is in
receipt of a souvenir postal, also a
copy of The Decatur (Ill.) Herald,
from A. O. Steenburg, who is spending
a few weeks in that city.

Mr. Steenburg is currently intend-
ing to establish a Shetland pony farm
in this section, as he is advertising
for any number of Shetland ponies,
from one to fifty. He has been talk-
ing some time of establishing such
an enterprise, which he believes would
prove a paying investment, and it is
to be hoped he will be successful in
purchasing as many of the little ani-
mals as he desires.

Wednesday's Fire

An alarm of fire was turned in at
11:50 o'clock Wednesday morning,
which summoned the department to
the barn of J. B. Magott, corner
Franklin and East Second streets.
The fire was discovered before
gaining much headway, however, and
was extinguished with little damage.

NEWS OF CITY AND COUNTY CONDENSED

E. W. Millican, the naval stores
operator of Waldo, was a business
visitor to this city yesterday. He
states that Mrs. Millican and little
son are enjoying the exhilarating at-
mosphere in the vicinity of Asheville,
N. C., which is proving of great bene-
fit to the boy, who has been quite ill.

The rear of the Gainesville National
Bank building, more familiarly known
as the Endel block, is being trans-
formed into a store. The walls on
West Main street N. are being torn
away, and a handsome glass front will
take their place. This will be one of
the most attractive stores in the city
when finished.

Mr. and Mrs. E. L. Lyle have re-
turned from Deland, where they were
called a few days ago on a mission
of sadness—the death of the former's
mother, which occurred Saturday, the
interment being held the following
day. The Sun, with other friends
here, extends sympathy to Mr. Lyle in
his bereavement.

J. R. Moorehead of Ocala, one of the
most widely known civil engineers
and surveyors of Marion county, is
in the city. Mr. Moorehead was for
several years county surveyor. He is
not only efficient in his profession, but
is one of the jolliest fellows in the
country, and has many friends
throughout the State.

After an absence of a year or more,
during which time he has visited
many cities of the United States,
Harry Denton has returned to his
home here, and his friends will be
glad to learn that it is his intention
to remain. Harry came direct home
from Portsmouth, Va., where he has
been for the past few weeks.

C. L. McLeod of Kendrick, a promi-
nent citizen of Marion county, and for
many years on the board of county
commissioners of Marion, was in the
city Tuesday and paid The Sun office
a fraternal call. Mr. McLeod has
many friends throughout this section,
all of whom were glad to see him.
He is one of the "pioneer politicians"
of this section of the State.

Mrs. M. A. Miller and daughter,
Miss Annie, passed through the city
Tuesday from Micanopy, en route to
Rock Hill, S. C., which place it is said
they will make their future home.
They have been residents of Micanopy
for many years, and the good people
of that town will regret exceedingly
their removal, but will wish them
much happiness and good health in
their new home.

Col. John B. Dell has returned from
Hague, where he has been looking af-
ter his farming interests. Col. Dell
and his excellent family expect to
leave at once for their country home
at Hague, the duties of the former be-
ing required there at this season.
Friends here will regret to see them
leave. The Dell home in East Gaines-
ville has been leased by R. D. Medlin
of Williston, who will occupy same
with his family.

Mr. and Mrs. Leom White, who have
been residents of this city for the past
few months, left Tuesday for their
former home in Aurora, W. Va., where
they intend to remain. Mr. White
while here was one of the efficient
salesmen in the store of Philp & Mor-
ris, and was quite popular among the
young people, as was also his wife
in social circles. Friends regret very
much to see them leave.

Mr. and Mrs. W. H. Palmer left yester-
day for Green Cove Springs, where
they expect to remain for the next
few days. Mrs. Palmer's health has
been none too good recently, and she
goes to the springs with the hope that
the water will prove beneficial to her.
Should she experience an improve-
ment Mr. and Mrs. Palmer will prob-
ably proceed to the Jamestown Ex-
position for a few weeks' outing.

Mrs. J. M. Halle, president of the
Kirby Smith Chapter, U. D. C., at
Gainesville, the second largest chap-
ter in the Florida division, the Martha
Raid Chapter coming first, is in the
city, visiting her mother, Mrs. M. C.
Drysdale. Mrs. Halle reports the
Kirby Smith Chapter as being in a
very flourishing condition, and in
spite of the warm weather says that
the members have been working
hard. Recently, the chapter gave a
\$100 scholarship to the son of an old
Confederate veteran, choosing him
from many applicants. The schol-
arship is an annual one, and the Uni-
versity of Florida is the beneficiary.
Mrs. Halle is very popular here in
her old home, and her friends will be
pleased to hear of the success of the
chapter of which she is chief execu-
tive.—Jacksonville Times-Union.

JONESVILLE NEWS.

Delightful Fish by Young People on
Banks of Horseshoe Pond.

Jonesville, Aug. 28.—One of the
most enjoyable days that has passed
for some time was last Thursday,
when quite a crowd from here and
Newberry met on the shores of Horse-
shoe pond and had a fish fry. We
succeeded in getting plenty of fish
and the ladies proved themselves
masters of the art of frying them,
with the result that at dinner we had
plenty of fish and everything else that
is good to eat. We are looking for-
ward to another "fry" next Thursday
at Harrel pond.

This community was overcast with
gloom at the receipt of the news of
the death of Mr. B. Sapp, which oc-
curred at Raleigh last Friday night
about 11 o'clock. Mr. Sapp lived here
when he was a child, and the family
have many friends here who extend
sympathy in this their hour of be-
reavement.

We were sadly disappointed last
Sunday at the non-appearance of our
pastor, Rev. G. T. Taylor, who is con-
ducting a protracted meeting at High
Springs. Sunday night, however, we
had an able sermon from Rev. Knight.
The protracted meeting which was
to have been this week is there-
fore postponed.

T. C. Scott made a business (?)
trip here Sunday, as did also James
Knight of Forest Grove.

Miss Clem Pickett spent a few days
last week at Worthington.

J. W. Miller visited at the home of
his parents, Mr. and Mrs. R. P. Miller,
Sunday.

Misses Vola Siford and Elsie Ryan,
Messrs. Matthews, Hamilton, Standstill
and Garland of Newberry came to at-
tend service Sunday, but with the
rest of us were disappointed.

Miss Irene Miller visited Mr. and
Mrs. H. M. Andrews of Tega last
Sunday. After dinner she returned
home, accompanied by Mr. and Mrs.
H. M. Andrews and Mr. and Mrs. H.
E. Andrews and little boy, afterwards
attending service.

THE SCHOOL BOARD.

Regular Meeting This Month on Mon-
day Instead of Tuesday.

The regular meeting of the Board
of Public Instruction, which is usually
held on the first Tuesday of each
month, will convene on the first Mon-
day in September, being next Monday.

This change becomes necessary on
account of the teachers' examination,
which will begin here on Tuesday.

Those having business with the
board will remember this change to
date, and be on hand Monday.

Sunday School Party.

Another of these delightful parties
of the Rocky Point Sunday school was
given at the home of Mrs. W. B.
Crown Monday evening, which was
well attended, and it is needless to
add the young folks enjoyed a fine
evening.

These parties have been given regu-
larly at Rocky Point during the sum-
mer, which not only elevated the
young people socially, but had a ten-
dency to "break the monotony of
things."

Picnic at Oak Grove.

There will be a Farmers' Union pic-
nic at Oak Grove on September 14.
Everybody is cordially invited to
come and enjoy the day with us.

Temperance speakers will address
the people in the afternoon when
business is over. K. W.

Judge Mason's Court.

Geo. R. Sykes of Wannea, brought
to this city by Deputy Sheriff L. T.
Stranger, was arraigned in Judge Ma-
son's court Wednesday upon a charge
of carrying concealed weapons. He
was fined \$100 and costs or six
months, and paid the fine.

In the Mayor's Court.

Mary Bellamy, colored, was ar-
raigned before the mayor yesterday
upon a charge of fighting, and was
assessed a fine of \$1 and costs, which
was paid.

more, Md., where she will select her
fall and winter millinery goods.

friends.

been visiting her sister here, Mrs.
H. C. Collins, left Saturday for her

Rest Better, Says Hamilton.

New York, Aug. 28.—Secretary of
State Hilth Rest, who has been
spending three weeks at the Long
Island resort of William O. Hamilton,
ex-champion wrestler, now of
Paines, N. Y., taking a special vaca-
tion to complete his cure by sea-bath
more. He is now well on the way to
recovery, and all rumors of his dis-
appearance have disappeared.

17,000 Machines May Be Sold.

New York, Aug. 28.—A report of
17,000 machines to be sold in New
York will probably be called into
being. The men demanded at the
increase in pay of 25 cents a day.

Some men have such a general
conviction that they are
counting outside reality, as they
do not care they would get in
great numbers that appear in
the headlines.

Some of the most important
news of the week is the
one about the new
machines to be sold in New
York. The men demanded at the
increase in pay of 25 cents a day.
